AMAZING EXPERIENCES TO LAST A LIFETIME

YMCA Camp Bernie is a traditional year-round camp, operating since 1957 in the mountains of northwestern New Jersey. Camp Bernie is conveniently close to restaurants and retail, and isn't far from NYC, but features a secluded, remote, woodsy feel.

The Camp Bernie community is a fun and rewarding work environment in which you and your fellow staff can help children create amazing lifelong memories and friendships. Our staff foster a culture of belonging as they work, play, and grow together, teaching and exemplifying our core values of caring, honesty, respect, and responsibility.
